

Stardusters Dance Club

An invitation from your Stardusters Board

Your Stardusters Membership

Welcome to the 2023 – 2024 season!

We are excited to kick off another season of dancing and celebrating with old and new friends. We encourage you to register on-line at Stardusters.org and pay utilizing Venmo, but paper will still be available.

Our rates have remained the same as last season.

Please feel free to call or email our officers with thoughts, ideas, or questions. If you are interested in serving in any capacity, please contact the Vice President couple.

General Membership

The membership limit of the Stardusters Dance Club is 100 members. Based upon safety and comfort considerations there is a 64-person limit on attendance at each of the club's dinner-dances. Please get your dinner reservations in the mail early to be sure that you are one of those 64 people! Should we reach the attendance limit for a dinner-dance, priority will be based on postmarks on the envelopes (or electronic transaction) in which the dinner reservation forms were returned.

Guest

We encourage members to recommend potential new members and to invite prospective new members as guest couples throughout the dance season as the attendance limitation permits (see above).

Requests to bring guest couples to Stardusters dinner-dances will be held, but not confirmed, until after the reservation deadline for a dinner-dance has passed. At that time, it will be determined whether guest couples can be accommodated, and if so, how many. Please note that members have priority over guests. If you request to bring a guest couple to a club dinner-dance, you will be notified soon after the reservation deadline as to whether your guest couple can be accommodated or not.

There is no charge, beyond the cost of dinner, to bring guest(s) to a Stardusters dinner-dance for the first time. If the same guest(s) wishes to attend additional dances, there will be a \$10 per person charge for each subsequent dance. Please contact the President Couple with any questions.
