

Stardusters Dance Club

An invitation from your Stardusters Board

Your Stardusters Membership

Welcome to the 2025 – 2026 season!

Greetings

We hope everyone is enjoying their summer and looking forward to kicking off our new season and reconnecting with our dance community. It is that time of the year to start planning for the upcoming Stardusters season.

Our \$90 annual membership dues are unchanged this year. The annual membership fee is used to cover the DJ fee, the wine provided at each event, candy, decorations, mailing supplies, and club liability insurance. Your fee pays for a lot! The Board strives to set the price of the dinners to cover the costs of the room rental, meal, gratuity, and sales tax.

For the 2025 – 2026 season we have secured Saturday Evening dates for all of our dances and have negotiated a reduced room rental fee of \$250. For future seasons the club will be working hard to have our dances on Saturday Evenings whenever possible. When a Saturday Evening is unavailable or financially prohibitive, the dance will change to a Friday Evening.

Please feel free to call or email our officers with thoughts, ideas, or questions. If you are interested in serving in any capacity, please contact the Vice President couple.

General Membership

The membership limit of the Stardusters Dance Club is 100 members. Based upon safety and comfort considerations there is a 64-person limit on attendance at each of the club's dinner-dances. Please get your dinner reservations in the mail early to be sure that you are one of those 64 people!

Guests

We enthusiastically encourage members to invite their dancing friends as guest couples throughout the dance season. Bringing these prospective new members to one of our dinner dances can help us build up our membership and offer your friends a fun night out and an opportunity to socialize and meet new people.

In the event of a sold out dance members will have priority over guests. You will be notified soon after the reservation deadline as to whether your guest couple have been accommodated.

There is no charge beyond the cost of dinner to bring guest(s) to a Stardusters dinner-dance. Please contact the President Couple with any questions.
